Become a **Zoo Parent** with the sponsorship of an animal at the Zoo.

Become an **Aquarium Parent** with the sponsorship of fish and other sealife at the Aquarium.

Become a **Garden Parent** with the sponsorship of a plant, insect, or farm animal at the Botanic Garden.

Give the gift that invests in the future.

A BioPark Parent Sponsorship is the perfect gift for the ecologically minded. Help make animal enrichment, species procurement, conservation, and education programs possible through the New Mexico BioPark Society. Your support makes a difference!

Choose a “wild child” from the entire BioPark. Be a Zoo Parent to a favorite animal at the Zoo, support a fish or other sealife as an Aquarium Parent, or champion a plant, insect, or farm animal as a Garden Parent at the Botanic Garden.

Each BioPark Parent’s name will be included on beautifully designed recognition signs. The Zoo Parent panels are located in the Zoo’s central Cottonwood Park near the Band Shell. Aquarium Parent and Garden Parent signs are each located just inside the respective park’s entry gate. We know you will find these signs stunning public recognition of your donation.

Sponsor flora or fauna for yourself, your family, your company, class, or club. BioPark Parent sponsorships make wonderful gifts for birthdays, anniversaries, holidays and other special occasions.

For as little as \$25 you may purchase a "share" of the cost of any animal or plant. The cost of becoming a BIOPARK PARENT is tax-deductible through the New Mexico BioPark Society and provides important resources for the ABQ BioPark.

Corporations and Businesses – we suggest sponsorships at \$1000+ levels. Please call to discuss additional opportunities for visibility.

Schools and Groups – At the \$250 level, receive a special framed photograph and certificate to hang in your organization.

BIOPARK PARENT BENEFITS <i>by Sponsored Amount</i>	\$25+	\$50+	\$100+	\$250+	\$500+	\$1000+	\$2500+
