

CELEBRATION

Make a lasting Impression

Make a lasting Impression by having your name or the name of a loved one proudly displayed as part of the CELEBRATION SCULPTURE located at the Rio Grande Zoo adjacent to the band Shell and the cottonwood Café.

CELEBRATION is a public work of art that demonstrates, and at the same time celebrates, the great diversity of life. Your donation through the New Mexico BioPark Society's CELEBRATION program helps to ensure a future for the Albuquerque BioPark.

The engraved inscriptions can honor an individual, award recognition to a company, commemorate a special occasion, or celebrate any important event. In recognition of your

generous support, we will commission your name or personal inscription to be engraved on an "Art Tile."

After you have selected your options for your Art Tile, we will create an artistic proof for your approval. Then your unique artistic dedication will be laser engraved on premium black granite and placed on the monolith according to a predetermined grid layout. Placement location will be determined by availability; a limited number of spaces are available.

Please call the Development Director of the New Mexico BioPark Society at (505) 764-6291 for additional information and to discuss specific needs.
