

## ABQ BioPark Species Available for Support NMBPS' BioPark Parents Program

### *Rio Grande Zoo (Zoo Parent)*

#### Mammals

African crested porcupine \$300  
 African hunting dog (E) \$1,000  
 African lion \$2,000  
 Alpaca \$200  
 Ankole \$350  
 Arctic fox \$400  
 Asian elephant (E) \$5,000  
 Bactrian camel \$1,500  
 Bengal slow loris \$250  
 Bengal tiger (E) \$2,000  
 Binturong  
 Black howler \$200  
 Bobcat \$300  
 California sea lion \$1,800  
 Capybara \$500  
 Cheetah (E) \$1,500  
 Chimpanzee (T) \$2,000  
 Churro sheep \$50  
 Cotton-top tamarin \$300  
 DeBrazza's monkey \$500  
 Emperor tamarin \$100  
 Fennec fox\* \$100  
 Golden lion tamarin \$300  
 Grant's zebra \$1,000  
 Grey seal \$2,000  
 Harbor seal \$1,800  
 Hippopotamus \$3,000  
 Jaguar (E) \$800  
 Jersey dairy cow \$50  
 Koala, Victorian (T) \$10,000  
 Llama \$200  
 Matschie's Tree Kangaroo \$100  
 Meerkat \$300  
 Mexican grey wolf (Lobo) (E) \$600  
 Mountain lion \$600  
 Naked mole-rat \$25  
 Ocelot (E) \$500  
 Orangutan, Sumatran (E) \$1800  
 Polar bear \$4,000  
 Prairie dog, black-tailed \$50  
 Prehensile-tail porcupine \$75  
 Pygmy slow loris (T) \$250  
 Red kangaroo  
 Red panda \$400  
 Red river hog

Reticulated giraffe \$2,000  
 Sable antelope \$300  
 Serval\* \$500  
 Short-nosed echidna \$250  
 Siamang gibbon \$550  
 Sichuan takin \$60  
 Snow leopard (E) \$500  
 South African rock hyrax  
 Southern Warthog \$500  
 Southern white rhinoceros \$2,500  
 Spotted Hyena \$300  
 Sugar glider\* \$25  
 Three-banded armadillo\* \$50  
 Spider Monkey, Varigated \$500  
 Western lowland gorilla (E) \$2,000  
 Wolf's guenon \$400  
 Zimbabwean klipspringer \$300

#### Heritage Farm: (Botanic Garden – Garden Parent)

American alpine domestic goat \$50  
 Domestic chicken  
 Domestic duck  
 Domestic pig \$50  
 Jersey dairy cow \$50  
 Navajo-churro sheep \$50  
 Percheron draft horse \$100

#### Birds

Abyssinian ground hornbill  
 African pied crow  
 African pygmy falcon\*  
 American kestrel\*  
 Andean condor (E)  
 Andean tinamou  
 Audubon's crested caracara  
 Australian king parrot

Yellow-headed Amazon\*

### Reptiles & Amphibians

African fat-tailed gecko  
African groove-crowned bullfrog  
African pancake tortoise  
African spur-thighed tortoise  
Aldabra tortoise  
Amazon tree boa  
American alligator  
Arabian sandfish  
Armenian viper  
Ball python  
Barred tiger salamander  
Bismark's ringed python  
Black and blue dart frog  
Black rat snake  
Boa constrictor

Cape cobra  
Central newt  
Chinese big-headed turtle  
Coastal carpet python  
Corn snake  
Desert massasauga  
Desert tortoise (E, T)  
Dumeril's ground boa  
Dwarf caiman  
Dwarf Surinam toad  
Emerald tree boa  
European legless lizard  
European sand boa  
Gidgee skink  
Greater siren  
Green anaconda  
Green and black dart frog  
Green tree python  
Green vine snake  
Hermann's tortoise  
Hog Island boa  
Iberian sharp-ribbed newt  
Indian python (E)  
Indonesian water dragon  
Komodo dragon (E)  
Kreff's river turtle  
Leopard gecko  
Madagascar ground boa  
Madagascar tree boa  
Marine toad\*  
Narrowhead gartersnake  
New Mexico gartersnake  
New Mexico milk snake  
Northern copperhead  
Ocellate mountain viper  
Oriental fire-bellied newt  
Oriental fire-bellied toad  
Ornate box turtle\*  
Red-footed tortoise  
Reticulate Gila monster  
Reticulated python  
Rough-scaled plated lizard  
Round Island Day gecko (E)  
Saltwater crocodile (T)  
Saw-shelled turtle  
Scrub python  
Shingleback skink  
Snake-necked turtle  
Sonoran gopher snake  
Standing's Day gecko  
Storr's monitor

Sunbeam snake  
Tentacled snake  
Twig mimic snake  
Western diamondback rattlesnake  
White's tree frog  
White-lipped tree frog  
Woma  
Yellow-footed tortoise

### *Albuquerque Aquarium (Aquarium Parent)*

Mediterranean Conservatory (unless  
otherwise indicated)*

Butterfly  
(PNM Butterfly Pavilion)  
Dragonfly (Wild)  
Emperor Scorpion  
Flatrock Scorpion  
Giant African Millipede  
Giant Cave Roach  
Goliath Birdeater Tarantula  
Madagascar Hissing Roach  
Tailless Whip Scorpion  
Walking Stick

BioPark Parent sponsorship funds support caregiving, animal enrichment, species procurement, conservation, and education programs at the Albuquerque BioPark.

To become a BioPark Parent, please call the New Mexico BioPark Society at (505) 764-6291, or email [NMBPSdevelopment@comcast.net](mailto:NMBPSdevelopment@comcast.net).

More information is available online at [www.bioparksociety.org/support](http://www.bioparksociety.org/support).

Recognition Signs listing names of sponsors are posted in the Zoo (Cottonwood Park), Aquarium (entrance courtyard), and Botanic Garden (near education building). Signs are updated each January, May, and September.
