Run Q&A

What event should we register for?

It depends on your fitness level. The 10K and 5K are timed events and attract advanced runners. The 5K Fitness Run/Walk is great for people who are fit, but may not be ready to run an entire 5K (3.1 miles). Families love the 1 Mile Fun Run/Walk because anyone can participate regardless of fitness level.

Can I enter a different event than my child?

Yes, you may register for any event that you wish, just make sure you and your child know how to find each other after your events.

Can I run/walk with my child?

Absolutely! Complete a registration form for yourself and pay the entry fee.

Do I have to enter an event to participate?

You don't have to sign up for Run to come out and have a great day at the Zoo. But if you are not a registered participant, you will not receive a Run for the Zoo t-shirt and will have to pay admission to get into the Zoo on race day.

What if my child and I get separated?

Run for the Zoo attracts a big crowd. It's easy to get separated. We recommend designating a specific meeting place, like the information tent or a specific sponsor or food booth.

Additional Participant & Parking information will be in your participant t-shirt packet.
